**WACO, TX – April 10, 2018** – Blackhawk is happy to welcome Scott Keefe to the Blackhawk Team as a Marketing Consultant. He will be working closely with both the Sales and Marketing Departments.

Scott spent the past 13 years working in Sales and Marketing for Raisbeck Engineering. Well known by King Air operators and Blackhawk Dealers for his product knowledge and commitment to providing quality service, Scott looks forward to supporting the Marketing and Sales Team at Blackhawk.

“We are very proud to welcome a high caliber aviation expert like Scott as a Marketing Consultant at Blackhawk,” said Edwin Black, Senior VP of Sales & Marketing at Blackhawk. “His vast experience gained in leadership roles at Raisbeck and natural ability to develop long lasting relationships within the turboprop industry will prove invaluable to our dealers, customers, and business allies at Blackhawk. We

feel he will provide the company the means to strategically launch new programs and support our legacy products to achieve incremental growth.”

Scott can be reached at his mobile number, +1 (206) 799 3439, or via email, [scott.keefe@blackhawk.aero](mailto:scott.keefe@blackhawk.aero).

### **About Blackhawk Modifications**

Blackhawk Modifications, Inc., founded in 1999 in Waco, Texas, is a recognized aviation leader in providing engine performance solutions to the turboprop fleet. The company has the largest installed fleet of STC twin and single-engine turboprop upgrades, making Blackhawk the largest non-OEM buyer of new Pratt & Whitney turboprop engines in the world. A worldwide network of approved dealers and service support centers complements Blackhawk’s U.S. facilities. For more information, visit [www.blackhawk.aero](http://www.blackhawk.aero).
